**Ralph Nilson Legacy Fund (Optional Scholarship)**

All Nanaimo Chamber members have the opportunity to contribute to our Bursaries & Scholarships via the Ralph Nilson Legacy Fund. These funds are granted annually to students entering into post-secondary education with a desire for studies in a business discipline and to assist students already studying at Vancouver Island University. Our annual contributions can be as high as \$20,000. New members and members renewing are invited to contribute when they are paying their Chamber dues.
